हर सेकेण्ड, हर संकल्प चेक करो कुछ दिया? लिया तो नहीं? देते जाओ। लेना है बाप से वह तो ले ही लिया अब देना है। जितना-जितना देने में बिज़ी होंगे तो कोई भी बातें क्रास करना मुश्किल नहीं लगेगा। सब बातें बहुत सहज हो जायेंगी, क्योंकि महादानी बनने से महान् शक्ति की प्राप्ति स्वतः होती है।

Now reveal your form of a bestower

At every second and in every thought, check that you gave something and not that you also took. Continue to give. You have to take from the Father and you have already taken that. Now you have to give. The busier you remain in giving, the less difficult it will be for you to go through any adverse situation. Everything will become easy because, by becoming a great donor, you automatically receive great power.
