श्रेष्ठ स्वमानधारी, सम्मानदाता बनो

23-06-2023

अगर सहज सर्वगुण सम्पन्न बनना चाहते हो तो अपने स्वमान में रहो और सबको सम्मान दो। जैसे बाप ने बच्चों को अपने से भी ऊंचा स्वमान दिया है। हर एक बच्चे को पांव में गिरने से छुड़ाए सिर का ताज बनाया है। स्वयं को सदा ही प्यारे बच्चों का सेवाधारी कहलाया है। इतनी बड़ी अथॉरिटी का स्वमान बच्चों को दिया। तो जितना स्वमानधारी उतना ही निर्मान, सर्व के स्नेही बनो।

**Be one with elevated self-respect and
continue to regard to everyone.**

If you want to become full of all virtues easily, remain stable in your self-respect and give respect to everyone, just as the Father gave self-respect even higher than that of Himself to all the children. He liberated every child from falling at His feet and made him the crown on His head. He always called Himself the servant of the beloved children. He gave the respect of such a huge authority to the children. To the extent that you have self-respect, to that extent become humble and thereby loved by everyone.
