श्रेष्ठ स्वमानधारी, सम्मानदाता बनो

4-06-2023

यदि कोई पुरुषार्थी अपनी कमजोरी से या अलबेलेपन के कारण नीचे गिर जाता है अर्थात् अपनी स्टेज से नीचे आ जाता है तो भी आप स्वमानधारी पुण्य आत्मा का काम है - गिरे हुए को उठाना, सहयोगी बनाना। स्वमानधारियों के संकल्प में भी यह नहीं आ सकता कि ये तो अपने कर्मों का फल भोग रहे हैं, करेंगे तो जरूर पायेंगे। यह भी रोब अथवा अहंकार का अंश है जो स्वमानधारी आत्मा में नहीं हो सकता।

**Be one with elevated self-respect and
continue to regard to everyone.**

If any effort-maker falls down due to his or her own weakness or because of carelessness, that is, even if someone comes down from his stage, the duty of you charitable souls who are stable in your self-respect, is to uplift those who have fallen and make them co-operative. Those who are stable in their self-respect should never think that that soul is suffering the consequences of his actions, or that those who do something will definitely receive the return of it. That is also a trace of bossiness or arrogance, which souls who have self-respect cannot have in them.
