मधुरता का गुण धारण कर मधुसूदन का नाम बाला करो

7-02-2024

आपका एक एक बोल, बोल नहीं लेकिन मोती है। ऐसा लगे जैसे मोतियों की वर्षा हो रही है, इसको कहा जाता है मधुरता। ऐसा बोल बोलो जो सुनने वाले सोचें कि ऐसा बोल हम भी बोलेंगे। सबको सुनकर सीखने की, फालो करने की प्रेरणा मिले। जो भी बोल निकलें वह ऐसे हों जो कोई टेप करके फिर रिपीट करके सुने।

Inculcate the virtue of sweetness and love in your life and all other virtues will easily come.

Every word you speak is not just a word, but it is a pearl. It should feel as though you are showering pearls. This is known as sweetness. Speak such words that those who listen to you are also inspired to speak in the same way. Let everyone who hears you be inspired to learn from you and follow you. Whatever words you speak, let them be such that they feel like recording them and listen to them again and again.
