

ये अव्यक्त इशारे

सन्तुष्टमणि बन सदा सन्तुष्ट रहो और सबको सन्तुष्ट करो

9-12-2024

जो दिल से सेवा करते वा याद करते हैं, उन्हों को मेहनत कम और सन्तुष्टता ज्यादा होती और जो दिल के स्नेह से नहीं याद करते, सिर्फ नॉलेज के आधार पर दिमाग से याद करते वा सेवा करते, उन्हों को मेहनत ज्यादा करनी पड़ती, सन्तुष्टता कम होती। चाहे सफलता भी हो जाए, तो भी दिल की सन्तुष्टता कम होगी। यही सोचते रहेंगे -हुआ तो अच्छा, लेकिन फिर भी, फिर भी... करते रहेंगे और दिल वाले सदा सन्तुष्टता के गीत गाते रहेंगे।

Be a jewel of contentment, always remain content and make everyone content.

Those who do service from their heart also stay in remembrance. They have to make less effort and yet they experience contentment to a greater extent. Those who don't have remembrance with love in their heart, who simply remember Baba on the basis of knowledge and do service with their head have to make greater effort and they have less contentment. Even if they do have success, there will be little contentment in their heart. They would always keep thinking: "It is better if this happens, yet, yet..." They will continue to say this, whereas those who do everything from their heart will constantly keep singing songs of contentment.
