Rules & Regulations

of the Samadhan Initiative's WhatsApp group

Run by the team of the 'Shiv Baba Service Initiative'

- **About the 'Samadhan' WhatsApp group**

Samadhan group is a part of our "Samadhan Initiative" with an aim to guide the souls on any/all challenges of life, giving them personal advice in accordance with the **Gyan** (shrimat or knowledge) given by God himself. We also answer **Gyan related questions**, yet encourage you to use **BK Google** (our search engine) to find answers already posted on our **forum**. Samadhan initiative is operated by a team of the 'Shiv Baba Service Initiative' We are a group of BK brothers and sisters who are serving as per Baba's directions, while living in our family life. Apart from our WhatsApp group, we have a Forum and Email service.

- **Why are rules made?**

Answer: Rules as given on this page are made to provide the best atmosphere for everyone who wants to get solution to their problems. By following these rules, you are helping the 'admins' to answer every question without disturbance or confusion. Rules are written with an intention that every 'valid' question asked on group shall be answered within 48 hours.

✣ Every member who intends to stay in the 'Samadhan' WhatsApp group must READ the below mentioned guidelines & follow the rules:

➥ Ask your entire question in **1 or 2 messages** only. And wait for an admin to respond to your message. Have patience, we will surely answer **within 36 or 48 hours**.

➥ Please **do not** send any website or social media link or any **images, videos, or PDF** documents on the group. It is strictly not allowed. Only admins will share useful videos and website links

(included in the response & subjected to help, answer and guide the person/s who posted their query on the group)

➥ This service is provided officially by the team of the ***'Shiv Baba Service Initiative'*** on behalf of Shiv Baba and our organisation “Brahma Kumaris Godly Spiritual University” (BKGSU). Thus, please do not ask questions which does not comply with organisation’s reputation. **For example**: questions like *“I want to marry someone”* and similar non-serious queries, shall not be answered by admins.

➥ We advise you to **'leave this group'** after you get an admin’s **reply** (answer and guidance/solution) to your asked question/s or problem; so that new members can join easily. However, **you may stay if** you wish to learn more, observe the group, need further guidance in life, or if you want to contribute to the group in any way.

Source of our Advise ➥ Any advise given on this group will be

based on the spiritual wisdom that is derived from the 'Gyan Murli' (**learn**: What is Murli?). It is also based on the specified admin's personal experience, wisdom, level of intellectual capability, amount of time the admin could dedicate, and the sense of understanding of your situation. Hence, always put your question/problem in clear and sensible words.

➥ We daily get a lot of messages on our Samadhan WhatsApp group AND on personal chat also. Hence, if your question is not answered**, just send it again** (on the group). Your message will be answered by any 1 admin **as a 'reply'** on the group, and if needed, also 'privately'.

➥ **If anyone is found not following group's rules** OR is disturbing other members, they will be removed without notice.

No phone calls ➥ It is strictly NOT allowed to call on any of the admin numbers. Please ask on 'Samadhan' GROUP ONLY, **or**

by ‘private message’ to any 1 admin. If you need guidance over the **phone**, you may request that on private chat to any 1 admin OR use our Book a Phone Call service.

If you ask your question in a private message, please first ask your message in SHORT. Then after the admin replies, you can describe in more detail… This will save your time also.
